Membership Policies

Add-On Memberships: Add-on your family members in the same household to create your family membership. To be eligible, the Add-on member must live in the same household as a primary Adult, or Senior member. Add-on members are subject to the same contract terms as the primary member. No more than a total of two adults or seniors per household on the same agreement. Proper photo identification required for proof of address.

Terminations: Members may terminate the entire family agreement during the existing term for any reason. Terminations require a 30-day written notice and must be initiated by completing a termination form available at the front desk no less than 30 days prior to the next scheduled draft date.

Upon terminating the membership, you will receive one final draft but the membership will be valid for the entire final month for which you have paid. We do not prorate the final month. Cancelling only one member of the family constitutes a “downgrade” (see Changes to Agreement Terms below.)

Freeze: Members may freeze memberships for 60 – 90 days **with a 7-day notice.** There is a \$20 freeze fee per family that will be billed at the time of the freeze request. Monthly dues are not billed during the freeze period and will re-start the day after the freeze period ends. A freeze may only be initiated once per calendar year. **To terminate during the freeze, the 30-day advance notice prior to the end of the freeze applies.**

Changes to Agreement Terms: Members may upgrade or downgrade family members living at the same address for no administrative fees. These changes require a **written 30-day notice to take effect.**

Daily Drop-In Fee: Includes the benefits of membership (except program discounts) for a single use; one entry allowed per day. No in/out privileges.

Program Discounts for Members: Applied to a member enrolled in a program or service. (not valid for gifts or for family participants who are not members)
