Swim Lesson Policies

1. Payment for lessons must be received 24 hrs **prior** to the first lesson, unless otherwise worked out with the swim instructor, or the instructor will not be responsible for teaching that lesson.
2. If the client needs to cancel a lesson, they must provide the instructor **at least** 24 hours' notice or the lesson will count against the package total. The only exception is emergencies or sickness; please notify as soon as possible.
3. If the client does not show up for a lesson and does not let the instructor know, the lesson will count against the package total.
4. It is highly recommended that you speak with Aideen Brannan, Assistant Aquatics Director, or have lessons already set up with an instructor, **prior to purchasing lessons**. Even though every effort will be made for lessons to be scheduled on the days and times that you request, it is dependent on instructor and lane availability.
5. The expiration policy requires completion of all swim lessons within 180 days from the date of purchase. All lessons will be void after this time period.

I have read the above policies and agree to them.
